**EB Provides Guidance on Filing of Annual  
Customer Proprietary Network Information (CPNI) Certifications  
Under 47 C.F.R. §64.2009(e)**

**EB Docket No. 06-36**

In this Public Notice, the Enforcement Bureau (Bureau) responds to requests for guidance on the suggested format and procedures for the filing of annual CPNI compliance certifications ("CPNI Certifications") pursuant to 47 C.F.R. § 64.2009(e). CPNI Certifications must be filed no later than March 1, 2008, in accordance with the procedures outlined below.

Background. On April 2, 2007, the Commission released a *Report and Order and Further Notice of Proposed Rulemaking* in CC Docket No. 96-115 and WC Docket No. 04-36 (*EPIC CPNI Order*)<sup>1</sup> in which the Commission strengthened its privacy rules, pursuant to section 222 of the Communications Act, as amended, by adopting additional safeguards to protect CPNI against unauthorized access and disclosure.<sup>2</sup> One important change to the existing CPNI rules adopted in the *EPIC CPNI Order* is the requirement that all companies subject to the CPNI rules file annually, on or before March 1, a certification with the Commission pursuant to amended rule 47 C.F.R. § 64.2009(e).<sup>3</sup> This collection has been approved by OMB under control number 30600715.

<sup>1</sup> *Implementation of the Telecommunications Act of 1996: Telecommunications Carriers' Use of Customer Proprietary Network Information and Other Customer Information; IP-Enabled Services*, CC Docket No. 96-115; WC Docket No. 04-36, Report and Order and Further Notice of Proposed Rulemaking, 22 FCC Rcd 6927 (2007) ("EPIC CPNI Order").

<sup>2</sup> See 47 U.S.C. § 222.

<sup>3</sup> 47 C.F.R. § 64.2009(e) states: "A telecommunications carrier must have an officer, as an agent of the carrier, sign and file with the Commission a compliance certificate on an annual basis. The officer must state in the certification that he or she has personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the rules in this subpart. The carrier must provide a statement accompanying the certification explaining how its operating procedures ensure that it is or is not in compliance with the rules in this subpart. In addition, the carrier must include an explanation of any actions taken against data brokers and a summary of all customer complaints received in the past year concerning the unauthorized release of CPNI. This filing must be made annually with the Enforcement Bureau on or before March 1 in EB Docket No. 06-36, for data pertaining to the previous calendar year."

Suggested format of CPNI Certifications. The Bureau provides the attached suggested template that filing entities can use to meet the annual certification filing requirement of 47 C.F.R. § 64.2009(e). Use of this template is not mandatory, and any document that meets the requirements of the rule may be filed. Parties that elect to use the suggested template are encouraged to review the template carefully and to ensure that all fields are fully completed before submission in the above-referenced docket.
